## PHYSICAL THERAPY

### Plus One Physical Therapy delivers One-to-One health care:

Physical Therapist-to-Patient using the most progressive healing techniques available. Taking care of your health is what we do... All day. Everyday.

Our personally-tailored, results-oriented approach reaches above the standard for Physical Therapy care and has earned us an impeccable reputation with both patients and healthcare professionals alike. This sophisticated treatment program offers you team members:

#### Quality Care

All of our physical therapy patients receive one-on-one treatment with knowledgeable and skilled therapists each and every visit. We follow up with a seamless transfer into a post rehabilitation program with our experienced team of exercise specialists.

#### Marketing

Plus One's marketing department will develop an internal brand identity for Plus One Physical Therapy onsite. We assume all advertising and marketing responsibilities for the program.

#### Corporate Support Team

All of our physical therapy units are supported by a 30 member physical therapy support team including a Clinical Director of Physical Therapy, Physical Therapy Marketing Coordinator, and Physical Therapy billing department.

#### Strong Physician Networks

Our physical therapy team has professional relationships with over 1,000 doctors in the Metro area. We refer your employees to the finest medical professionals within the specialty they require.

#### Cost Avoidance

Onsite physical therapy offers a proven cost avoidance strategy. It significantly cuts down on travel time between appointments and missed work days and is directly linked to increased productivity.

#### Referral Control

Plus One's system of quality assurance evaluates each member of the patient's healthcare team to ensure the most thorough and comprehensive treatment possible. Tracking referrals to and from other healthcare professionals allows us to continuously monitor the effectiveness of each patient's treatment.

#### Insurance Reimbursement

Plus One Physical Therapy is affiliated with many popular insurance provider plans. We administer all insurance billing for all applicable treatments so there is no administration hassle for your organization.
